

ORDERING CODE

Specification

- Body Material : Die-cast Aluminum
- Finish : Powder Coated
- Diffuser : Tempered Safety Glass
- LED Chip : CREE
- Binning : 3 step MacAdam
- Lifespan : 40,000Hrs
- CRI : >80
- Input Voltage : 220-240V, 50/60Hz
- Operating Temperature : -35°C to +55°C
- Warranty : 5 Years against manufacturing defects

230x210x700 mm
